**Staff Volunteer Service Statement:** Anyone age 18+ must complete this form. The information on this form will be used to evaluate youth ministry volunteers. It is designed to protect the youth from abuse and to protect the Seventh-day Adventist Church organization. This record becomes permanent and is the property of the Conference. It may be forwarded to another Conference should the applicant move. The information will be copied and sent to the local church for the pastor and program leaders to use in determining staff qualifications only if the individual is approved. When a local church requests information on an applicant, the Conference may not release any specifics and may respond only with "recommended," "not recommended," or "recommended with conditions noted." In the event of accusations against the applicant, opportunity should be given for response by the accused. This response also becomes a part of the record.

**Sexual Conduct Statement:** The Arkansas-Louisiana Adventurer, Pathfinder and Master Guide programs, are owned and operated by the Arkansas-Louisiana Conference of Seventh-day Adventists. As such, any employee or volunteer staff of the Adventurer, Pathfinder or Master Guide programs are representing the Arkansas-Louisiana Conference of Seventh-Day Adventists and is therefore expected to respect and practice the beliefs and convictions of the organization. Employees or volunteer staff engaging in inappropriate sexual activity or the promotion of any sexual behavior that is inconsistent with the Adventist belief and mission are ineligible for employment or participation as volunteer staff.

## Personal Vehicle Usage Guidelines

## Please provide a copy of this document to every potential driver. Drivers must:

- Be at least 25 years of age
- Carry a minimum of \$100,000 per person/\$300,000 per occurrence limits of liability. (See Section Y 29 20 3.b for regular use insurance requirements.)
- Provide a copy of their driver's license and vehicle insurance. ONLY
  drivers with a good driving record (no more than two traffic citations and
  no at-fault accidents) will be allowed to operate a vehicle on behalf of the
  church.
- Submit a copy of the "Volunteer Staff Application Form" to the Conference Office
- Require occupants to wear seatbelts.
- Not engage in "distracted driving" (no cell phone, texting, eating, drinking, reading, navigation system adjustments, or boisterous children discipline while the vehicle is in motion).
- Not overload vehicles.
- Verify that the vehicle is in good working order (tires, wipers blades, all lights, etc.).

If someone other than the owner will be driving the vehicle, obtain information on the owner's insurance (company name, policy number, and policy term) and give this information to the person who will be driving the vehicle. The driver will need this information if an accident occurs. Adventist Risk Management does not recommend the use of non-owned autos on approved events. If non-owned vehicles are used, however, adhere to the following guidelines: Adventist Risk Management's auto insurance policy provides coverage for non-owned vehicles on an excess basis. It is designed to protect the organization, not the vehicle owner. In the event of an accident, the vehicle owner must go to his/her insurance company first.

Make sure drivers understand that their personal auto insurance is "primary" and that his insurance is responsible for any damage done by the vehicle or to the vehicle. Agree with the owner or driver on who will be responsible for any comprehensive or collision deductibles that might apply to damage done to the borrowed vehicle.

Refer to the North American Division Working Policy, Section S 60 31 Vehicle Insurance and Section Y 29 Automobile Policy.

Every insurance policy contains limits, conditions, and exclusions. Read the policy carefully, because it may not respond to all claims for damage.

## **How to Use Adventurer Points Record**

The purpose of the points system is to help each Adventurer strive for excellence and refocus them on following the Adventurer Law at any meeting or event attended. The points record can help you implement Positive Behavior Rewards in your club, which is key in managing behavior. Remember to spend more time praising positive behaviors and less time scolding and punishing. Human nature prompts us to want to please those in authority and to seek praise for our good works.

There are 15 point categories and each is based on the Adventurer Law. Points categories and descriptions should be posted and well-known by your Adventurers. There are several ways to earn points for each category. It is the leader's discretion as to how many points are awarded per category during each meeting or event. If you don't see something in the category description specifically, then it is not point worthy.

Key	Category	Earn a Point By:
0	Be Obedient & Attentive	Following directions the first time you are asked. Listen quietly when others are speaking.
Р	Be Pure & True	Think about Good things. Tell the Truth. Take care of your body.
K	Be Kind & Thoughtful	Share. Use kind words. Pray for others.
Н	Be Helpful & Cheerful	Help others. Have a good attitude.
R	Be Reverent & Respectful	Be quiet and walk in the sanctuary Take good care of materials

Rewards: Human nature compels us to behave a certain way to either get something or avoid something. Brainstorm low cost rewards that will appeal to Adventurers and serve as an incentive. Due to the developmental stage of our Adventurers, merely working toward achieving "Adventurer of the Year" is hard to comprehend without a visual or contingent object. Posting points and referencing the points regularly reinforces the child's perception of the goal in mind. Rewarding a child for achieving points along the way keeps the child interested in continuing a reach for the goal.

## Adventurer Club Annual Review Info

**Purpose:** Annual reviews, formerly known as formal inspections, are designed to help the club strive for excellence and to help them refocus on core values yearly by assessing the Adventurer Club's ability to follow the Adventurer Law. Adventurers and staff should prepare and look forward to their review as a time to present their skills, highlight their accomplishments, and show their compliance. Directors are to contact their Area Coordinator to schedule an annual review

**Scoring for Categories & Indicators:** The categories on the review form are designed around the core values of Adventuring, the Adventurer Law. Each category is broken down into specific indicators. Each indicator will be scored from 1 to 3 (3 - Excellent 2 - Average 1 - Needs Improvement 0 - No Evidence). These scores will be added for an overall total. Awards will be presented based on the following:

Gold:Excellent60+ PointsSilver:Average55-59 PointsBronze:Satisfactory50-54 PointsParticipation Certificate:49 Points or less

**Presentations:** Some indicators require a presentation. The purpose of this is to show that the club has an active and quality program by reporting accomplishments. Presentations should always be performed by the Adventurers, but with the help and guidance of staff and parents. They should be simply done in a "show and tell" style, but planned and rehearsed. Make use of this opportunity to help Adventurers learn the valuable skill of communicating with others. Reviewers will determine the score for the presentation based on content and quality. Props and visual aids used in the presentations are welcome and encouraged.

**Rewards:** The reviewer should award the club a ribbon and certificate. Club directors should arrange for the club to be recognized in front of the church family and should plan ahead to offer incentives for their club to perform well.

# How to Use "Path to Excellence" Quarterly Adventurer Director's Report

**Purpose:** The "Path to Excellence" quarterly director's report is designed to specifically help the club director strive for excellence in their Adventurer ministry. Keep in mind that this is a "path" to excellence, and achieving higher levels may feel difficult at first. Attaining excellence often happens slowly and requires a growth mindset.

**What to do:** Club directors should fill out the "Path to Excellence Director's Report" once each quarter and submit it to the area coordinator before the designated time. Directors should review the report checklist often and keep a copy for their own records to mark things off as they are completed. Planning and staying on track is key.

**Scoring:** The Area Coordinator and director should schedule a yearly assessment meeting. Together the AC and the director will decide the rating that is deserved for each director. To help determine this, directors should come prepared with their completed checklists and evidence to validate their accomplishments. As Christian leaders, remember to maintain your integrity as you consider which level of accomplishment you have achieved.

**Awarding:** The final overall award level will be assigned by the Area Coordinator and a certificate will be issued to the director based on the following:

## • Gold Level Director:

- Quarterly reports were 100% completed with evidence to support all accomplishments.
- All 4 quarterly reports were submitted on time.
- More than 5 tasks from the activity list were completed each quarter including an "other" activity

### Silver Level Director:

- Quarterly task checklist <u>90%</u> completed with evidence to support <u>all</u> accomplishments.
- At least 3 quarterly reports were submitted on time.
- At Least 5 tasks from the activity list were completed each guarter.

## • Bronze Director:

- Quarterly task checklist at least <u>80%</u> completed with evidence to support <u>all</u> accomplishments.
- At least 2 quarterly reports were submitted on time.
- At least 3 tasks from the activity list were completed each guarter.

\*The first two tasks in Quarter 1 must be completed to score at any level.

## "Path to Excellence" Area Coordinator's Quarterly Report

NOTE TO DIRECTORS: This document is only for area coordinators. It is included in this packet so you are aware of the duties and responsibilities of your area coordinator.

**Purpose:** The area coordinator's "Path to Excellence" quarterly report is designed specifically to help the area coordinator strive for excellence in their Pathfinder ministry. Keep in mind that this

is a "path" to excellence, and achieving higher levels may feel difficult at first. Attaining excellence often happens slowly and requires a growth mindset.

Area coordinators should fill out the "Path to Excellence Director's Report" once each quarter and submit it to the area coordinator before the designated time. AC's should review the report checklist often and keep a copy for their own records to mark things off as they are completed. Planning and staying on track is key.

**Scoring:** The Area Coordinator and the conference director should schedule a yearly assessment meeting. Together the AC and the conference director will decide the rating that is deserved for each AC. To help determine this, AC's should come prepared with their completed checklists and evidence to validate their accomplishments. As Christian leaders, remember to maintain your integrity as you consider which level of accomplishment you have achieved.

**Awarding:** The final overall award level will be assigned by the Conference Director and a certificate will be issued to the director based on the following:

## • Gold Level Area Coordinator:

- Quarterly reports were 100% completed with evidence to support all accomplishments.
- o All 4 quarterly reports were submitted on time.
- o More than 2 items from the "Visitation" checklist completed each quarter.
- o More than 1 from the "Activity" checklist completed each quarter

## • Silver Level Area Coordinator:

- Quarterly task checklist 90% completed with evidence to support all accomplishments.
- At least 3 quarterly reports were submitted on time.
- o Minimum number of items from "Activity" & "Visitation" checklist completed each quarter

## • Bronze Area Coordinator:

- Quarterly task checklist 80% completed with evidence to support all accomplishments.
- At least 2 reports were partially submitted on time.
- o At least 1 item from the "Visitation" checklist completed each quarter.
- o At least 3 items from the "Activity" checklist completed over the course of the year.
